Steve Durdan

"Moments to Remember"

Reigning over the 1971 Homecoming Festivities are Queen LuAnn Lechner and King Steven Durdan. They are seated among the other members of the Royal Court. (L. to R.) Senior Candidates are Dale Wells and Diana Frye; Don Long and Ginger Cox; Jack Allen and LuAnn Barickman. Junior Attendants are Jayne Hansen and Joe Kudrick. Sophomore Attendants are John Kucinski and Joan Lechner. Freshman Attendants are Cindy Wells and Bill Beutke.

Bonfire enlightens the hearts of all those who attended this special event.

Students control the spirit of the Homecoming bonfire.

"Sound-off 1,2—Sound-off 3,4"—Pictured in the upper left-hand corner is Mr. Lathrop leading his famous Caden's Call during the Homecoming Bonfire. In the photo above, the Z-Club members are performing strenuous exercises in a skit during the Homecoming assembly. Pictured to the left is the winning float of the Senior Class giving this class their third consecutive win. In the lower left hand corner are the new royal couple, LuAnn Lechner and Steve Durdan (center), being applauded after the long awaited announcement was made. Pictured in the lower right hand corner is a surprise addition to the Homecoming festivities. She is the Streator High Homecoming Queen, Harriet Pierce, being presented to the receptive audience.

Treasured Moments

Each moment is a precious jewel . . . To hold . . . with fond delight . . . To treasure in its radiance . . . While it is still in sight . . . We must not plan our happiness . . . On dreams set far away . . . Or wish that we might turn again . . . To paths of yesterday . . . A moment past is not reclaimed . . . For coffers filled with gold.

And none of us can chart the course . . . That future days may hold . . . The moment that is here and now . . . Asks that we give our best . . . Of love and understanding . . . And of cheer and helpfulness . . . Each moment is a precious jewel . . . To hold with fond delight . . . For all too quickly moments pass . . . Forever from our sight.

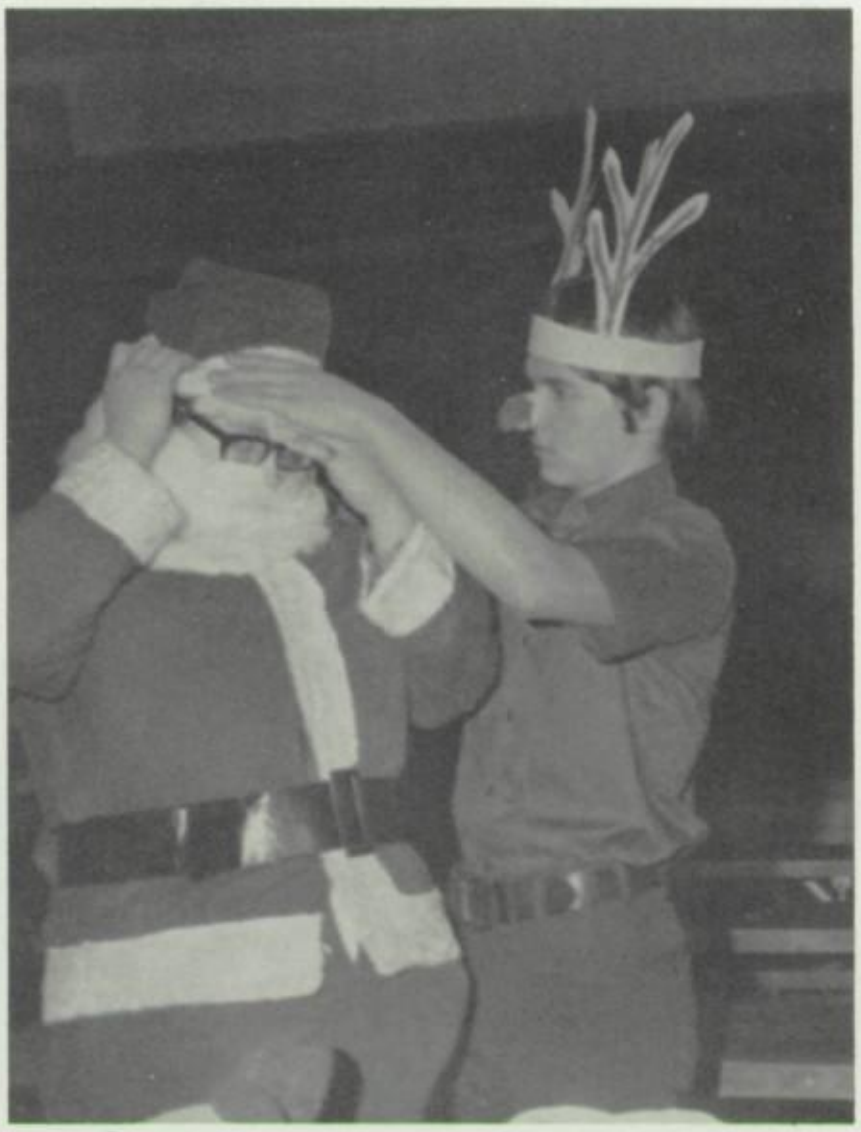
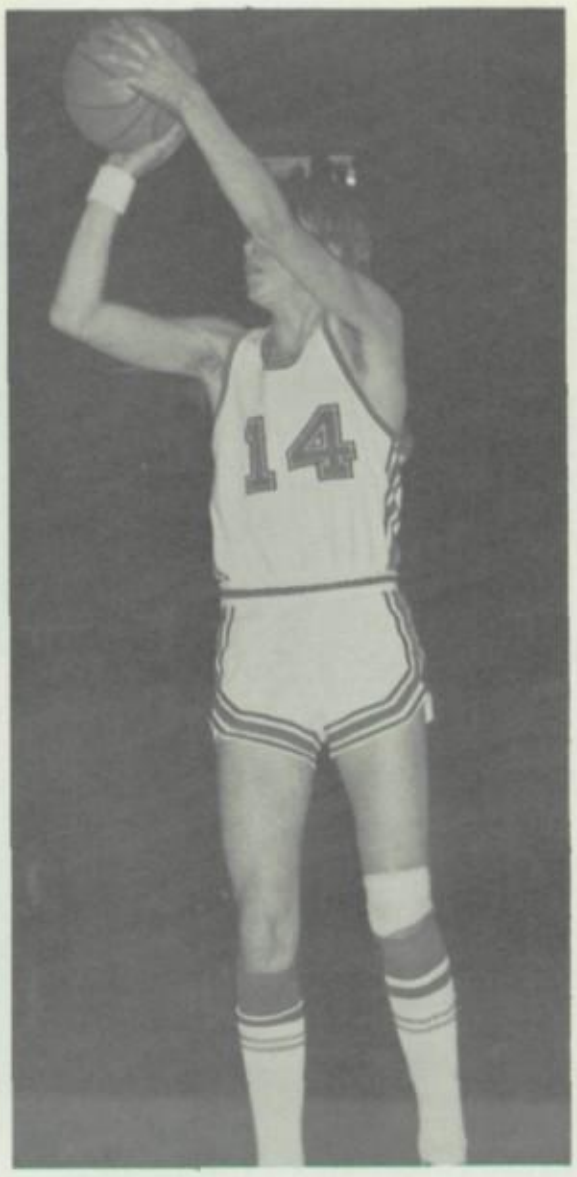
Spirit of Christmas



Shown on this page are just a few of the ways in which the students at Woodland helped to spread the true Christmas spirit. And believe it or not, these same students still wait for Santa!

A Dream Fulfilled . . .



"2, 4, 6, 8 . . . Woodland Warriors went to State" The childhood dreams of 14 basketball players came true during the 1971-72 season. The Warriors brought home an Elite 8 Title as well as first place in the Odell Tournament, Midstate Conference, Regional, Sectional, and Super-Sectional Tournaments. Earlier in the year the Warriors also won first place in the consolation bracket at the Marquette Holiday Tournament.

Loyal and True

The Warriors tread a long hard trail during this football season. Although the record does not look very successful, our guys tried hard and gave tough competition to the opposing teams. Shown here are best efforts for Warrior victories.

The soft breeze spoke to me today.
I couldn't tell what it had to say . . .
It spoke to me of days to come,
And of this night: a special one
We've come upon this unprepared
Just think of all the times we've shared
Good times, bad times, fun times too
But now, they say that those are through
I search my soul for words to say
But I've learned one thing along the way
We will lead the lives we choose.
We will fight, and sometimes, lose.
Then from the past with its joy and pain
Will come the echo of a sweet refrain.
In 72, in many ways,
Those were the days, yes those were the days.

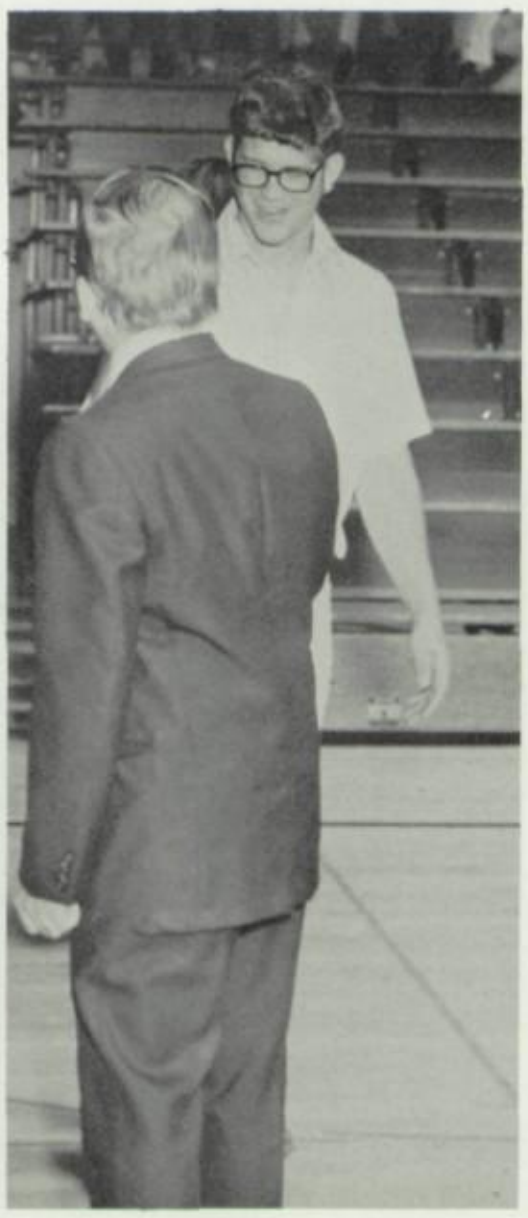
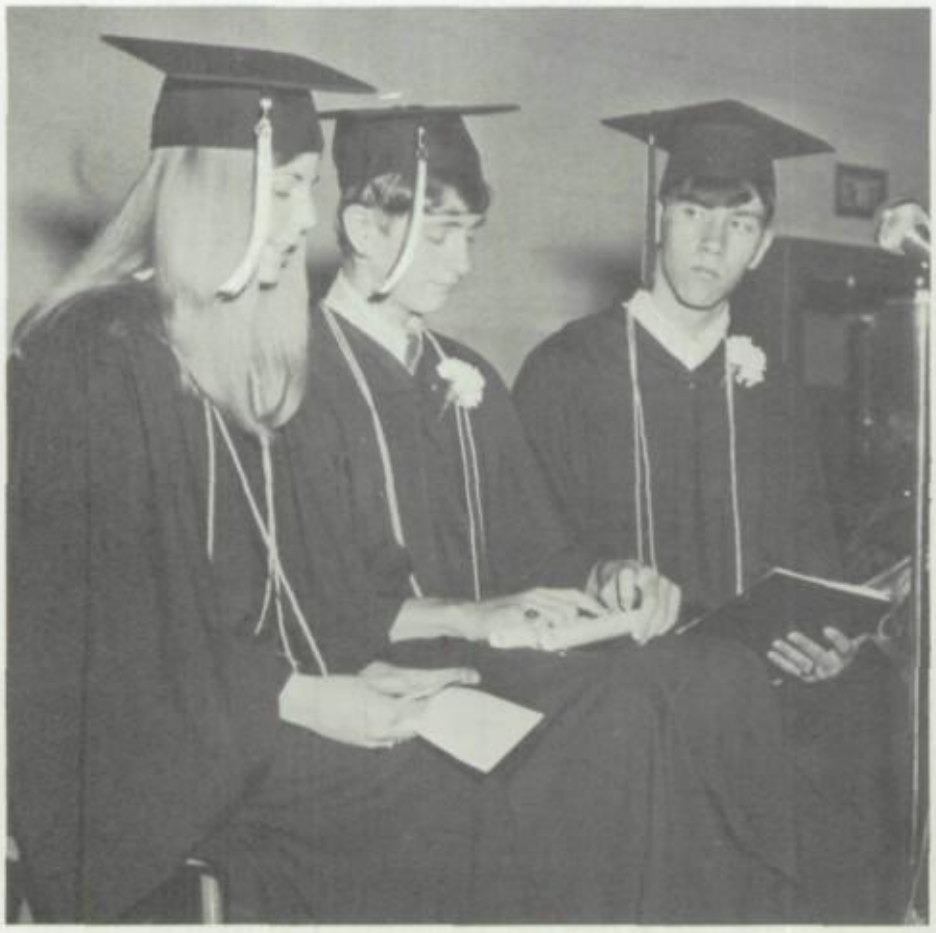
Awards Day

This year many students received awards and recognition by the faculty and administration of W.H.S. and the community. Here are a few memories from that day . . .



Graduation



"We are one. Up until tonight the 86 individuals in the class of 1972 were separate identities. But tonight we are united. Looking forward to the future—yet remembering the past which has made us what we are. Our graduation this evening binds us together to a common end—that of graduation from high school and the end of this past. Tonight we are at the crossroads—we are young adults even though our parents still call us children."

" 'Tis not too late to seek a newer world, to strive, to find, and not to yield, until we die. Let us remember that we are a part of the greater society—that of the human race. We, in turn, must pick up life's challenge."
